info@donegalultra555.ie

1. There are no unsupported slots for this distance.
2. The same nighttime rules apply for the 333 as in the 555, i.e. 7PM to 7AM where the support vehicle stays in attendance.
3. The 333 is for Solo and 2 person teams only.
4. Time allocation for the 333 is your start time +25hours with a compulsory check in at the Ozanam Centre.
5. There will be Text-in check points like the 555 which will be released well in advance of the event date, along with the route.
6. We allow just one car to serve as support, with just one person, the driver of that vehicle, as crew for both the solo and two person teams,
 - i. HOWEVER, if you chose just one person as crew you **CANNOT** hand up bottles and food from the driver's side of the vehicle, you will have to **STOP** to refuel the rider,
 - ii. You will need a second person to hand out supplies from the passenger side, in a safe place.
 - iii. In the case of two person teams the resting rider if being carried in that crew vehicle can hand up supplies from the passenger side of the car.
7. All the rules regarding tracker on the rider, rules of the road, littering and all the normal 555 rules including any Covid requirements will apply to all competitors unless as above there are specific rules for the different distances.
8. If after reading the rules and regulations, you still have a question please email to info@donegalultra555.ie and we will reply as soon as possible.
